*is pleased to announce*

**Addison Rosenbluth - Vice President**

MERIT INSURANCE SERVICES, Inc., West Hartford, CT, is a third generation, family owned, independent, nationally recognized insurance brokerage firm specializing in Long Term Care, Life Insurance, Disability Insurance, Annuities, and Senior Benefits. MERIT provides the highest quality service, education, sales ideas and support to the Insurance Professional.

During the 5 1/2 years that Addison has been with MERIT, he has been responsible for increasing MERIT's production, introducing strategies and products for the advanced markets and developing and solidifying relationships with MERIT's producers and carrier representatives. He has earned his CLTC Certification (Certified Long Term Care) and he never tires of learning about new products and sharing his knowledge and ideas with insurance professionals.

For the last 5 years Addison has been an active member on the board of the National Association of Insurance and Financial Advisors, Connecticut Chapter. He works to help grow membership, provide CE/training seminars and advocates for the industry professionals' best interest, working with the association's state lobbyist.

In his spare time, Addison enjoys sports of all kinds – participating and watching – and spending time with friends and family.
