

# Download MERIT's Mobile Quoting App

## NOW!

**You can now quote with MERIT on your mobile device and run quotes for your clients 24/7 - anywhere!**

**The information below will allow you to access the MERIT Mobile Term Quote Engine by installing our MERIT app on your device.**

### **iPhone**

1. click on <https://mobile.ipipeline.com/quote/gaid/0034>
2. Once the quote engine is opened you can save an icon on your mobile device by clicking add to home screen.
3. Make sure you wait till the icon loads before you click the add button.
4. You are set to go. You can now click on the icon on your device whenever you need to use it.

### **android**

1. Click on the link for mobile quote <https://mobile.ipipeline.com/quote/gaid/0034>
2. Once at the homepage, click menu on the bottom of android phone and select 'Bookmark' for the site
3. Once the bookmarked site is selected, another set of options will appear at the bottom of the screen.
4. Click on this icon-this will bookmark the site.
5. You will be asked if you want to change the name of the bookmark to something more simple-it's defaulted to 'Mobile Quote - powered by iPipeline.
6. If you want to keep the name like it is, then just select 'Ok' and you are finished.
7. To access the site next time simply open internet, go to bookmarks and select it from the list.

**DOWNLOAD THE MERIT APP NOW!**
